SUSTAINABILITY IS NOT JUST A MATTER OF CHOICE

FOR THE PLANET

We push for progress. And for us, that also means taking responsibility ourselves: **For our fellow human beings, our environment, our products and their manufacturing processes.**

We always place great importance on fair treatment of our employees, suppliers, customers, and all those involved in the production and supply chain. We take the challenge of actively protecting the environment seriously and continuously strive for change. Our goal is to steadily reduce our ecological footprint and produce sustainably.

THIS IS OUR CONTRIBUTION - FOR THE PLANET

- Kids size available.
 - Moisture repellent material transports sweat outwards and helps to keep you feeling dry.
 - Tailored forms increase freedom of movement and improve comfort.
 - Stretchy material adapts ideally to movement and thus increases performance.
 - Active breathing weave improves air circulation and helps maintain comfortable body temperatures.
 - Wind proof, water repellent and breathable materials provide a comfortable body temperature.
- Parts of the products are made from sustainable materials.

Subject to technical modifications, misprints, errors and price revisions. Colours may appear different in print from the original colours. All prices quoted are manufacturer's recommended prices. Any copying or reproduction of any part of this catalogue is only allowed with the expressed permission of Kempa®. January 2025.

**Supplies are limited.

In the interest of better readability, we refrain from using both the masculine and other forms in the absence of gender-NEUTRAL wording. The chosen masculine formulations therefore apply without restriction to the other genders as well.

Our main catalogs are produced using an innovative UV printing solution to improve recyclability. Thanks to a new series of inks, the printing color can be more easily removed during the recycling process, enabling an optimal circular economy.

The paper used for printing, Soporset Premium Offset, meets the paper specification OCR (ISO 1831:1980), offers high opacity and volume, and is certified with the EU Ecolabel and FSC®.
